

# Prehospital Registered Nurse Program

The Luzerne County Community College Emergency Medical Service Department will be sponsoring an Prehospital Registered Nurse Program (PHRN). The PHRN Program is designed to prepare currently licensed candidates to participate as advanced level providers in the challenging field of prehospital emergency medicine. The program consists of lecture, laboratory, and skill stations with an emphasis on scenario based training. Successful candidates are eligible to participate in the National Registry Emergency Medical Technician Psychomotor and Paramedic Cognitive Examinations.

Course cost: \$1200.00 (does not include books, uniforms, on-line access materials)

Candidates must have a current Pa. State Board of Nursing License and CPR BLS Certification

Interested candidates can register by contacting the Luzerne County Community College Public Safety Training Institute at [www.luzerne.edu/publicsafety](http://www.luzerne.edu/publicsafety) → Community Safety → PHRN Course or call 570-740-0637 for registration information..

Program information can be obtained by calling Lisa Babbish -570-740-0628 or Mark Ercolani 570-740-0627.
